President: Sherrie Colgain

There will be a Board meeting on Thursday, July 18th at Chelse Baptist Church at 10am.

It is time to gather a nominating committee, so we can get a slate of officers together. Please consider running for a position and becoming more involved. Some of our officers would like a break to become a member and not have the added responsibilities they always manage. Sometimes I feel like I am packing to leave town when I load the car to come to the meeting. We would like to get new and innovative ideas, so we are not always doing the same things.

Thank you, Kathy Swigon for teaching the Zen eagle. I noticed you had collected quite a few eagles to go on the military boxes for the Boots & Brushes Texas group of painters.

We will be doing Christmas in July with Bonnie Phillips and painting a cute holiday moose with water soluble oils. There is prep work required so be sure to read about her project in the newsletter.

Do you like having the 15 minutes of tips & tricks before the meeting? Sometimes it has been something the mature painters know that they share with us or something that they use all the time and thought everyone knew about it. We cover a lot of different techniques and mediums, so there are lots of tips out there.

Do you have a favorite surface to paint or something you want to learn? Let an officer know so that we can look for someone to educate us about it.

Keeping my brush wet, Sherrie

July 20th Bonnie Phillips: Water Soluble Oil Project

Christmas Moose - \$5 supply fee

Includes: Krylon #1311, Instructions, Water Soluble Oil, Painting Medium

NOTE: Print color picture and bring to class.

Acrylic and Water Soluble Oil

Prepare project background before class.

Stretched Canvas - 8x10", 9x12" or 11x14" (Print design size of choice)

Base coat project before class using a MEDIUM blue or mix blue with white. I used DecoArt True Blue #36 with White. Bring your base coat color(s) to class for touch up.

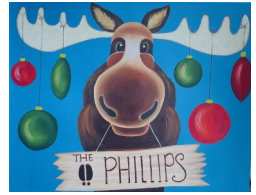

If using wood, brush mix DecoArt Multi-Purpose Sealer with your color choice blue acrylic. Let dry to touch then apply another coat without sealer. When dry lightly sand and wipe dust off with a damp paper towel.

Supplies to bring:

Brushes: If you do not have OIL Brushes use synthetic - Bring an assortment: #2,4, 6 & 8, 10, maybe a few Flats too. #1 or 2 Round/short liner, & Long Liner - Bring what you have as different brands tend to not be consistent with sizes. If project is larger than 8x10" use larger brushes.

Wipe Out Tool - I will have some to loan. New roll of paper towels - make a pad with several folded over to wipe brush and tear a number with the grain into quarters. 2 Water Containers or divided container - AFTER filling one container/side add liquid soap to avoid bubbles. Palette Paper on the pad, Q Tips

This project may take a little longer so you may want to bring a snack.

FSDA Meetup

FSDA has paid to advertise on Meetup. So now we need members to respond by joining. Go to Meetup, then TAMPA BAY AREA PAINTING MEETUP to join. Quite a few nonmembers on Meetup have joined which means they are curious or interested. Members, Social Media is at this point the best way to advertise for the least amount of money. We want to share our love of Decorative Painting with the world, especially and in particular this area of our world. So please join TAMPA BAY AREA PAINTING MEETUP.

We've had a new request from our trafficked girls. They have an art teacher, but no funding for supplies. I'm sure if we all look around we would have plenty that we could share with them. Anything will be greatly accepted brushes, paper, paint anything that you have to share, can you please bring it to the July meeting so that I can get it to them as soon as possible.

School will be starting soon. The trafficked girls and the foster girls will need school supplies: paper, pencils, folders, back packs plus would be appreciated.
